Owner Relocating: Exclusive Duplex Opportunity Duplexes rarely come to market in this 17-floor, 200+ unit complex, especially since these units are few and unique. This duplex features 1.5 bathrooms and walk-in closets, amenities not found in the other 200 two-bedroom units in the building. It has been expertly redesigned from two bedrooms into one spacious master bedroom. Both floors offer breathtaking views of the Rocky Mountains, providing a serene work-from-home environment and the perfect setting for rejuvenating swim breaks. Dual separate entrances on the 9th and 10th floors enhance privacy, while the addition of a half bath significantly reduces morning congestion and improves convenience for guests. Residents enjoy access to a full-size saltwater pool, a modern fitness center, and two private tennis courts. The Dalhousie LRT station is just a short walk away, with a bus stop conveniently located at the entrance. Currently listed on Airbnb, this duplex boasts features like dual-level living, tennis courts, and covered parking, making it a standout property in Calgary, or anywhere in Alberta.
