Welcome to this beautifully upgraded home in the highly desirable community of McKenzie Towne, just steps from McKenzie Highlands School (Grades 4-9), The Elgin hill (tobogganing in the winter!), scenic ponds with pathways & playground, & vibrant High Street. Designed with both style & function in mind, this home boasts 9 ft ceilings creating an elegant & inviting atmosphere. The main floor offers a thoughtful layout with a front room, open-concept kitchen, breakfast nook, living room, half-bath, & convenient main-floor laundry. The fully renovated kitchen features quartz countertops, new custom cabinets, & a sleek wall-mounted hood range, making it a true chef's dream. Upstairs, you'll find four spacious bedrooms, including the luxurious primary retreat with an oversized ensuite. The 9 ft ceilings continue into the fully developed basement, where you'll discover a gym with a bamboo feature wall, two spacious rec rooms, an office, & a 3-piece bath with heated floors. There's also a cold room & additional storage space, ensuring plenty of room for all your needs. The outdoor space is an extension of the home, featuring a large deck, 600 sq. ft. of stamped concrete, & a greenhouse with a built-in irrigation system that is properly drained for effortless watering. The oversized detached garage is a dream for hobbyists, fully insulated & heated, with 220 Volt power, acid-stained sealed floors, built-in storage, an oversized garage door, & even a built-in winch. Additional upgrades include an underground irrigation system (front, back, and side yards), new furnace, high-efficiency windows, central A/C & insulated interior walls & floors for superior soundproofing & energy efficiency. This home is a true gem in McKenzie Towne—don't miss your chance to make it your own!!
